June 2022

MAY RECAP

We finally got our race season started in May. My first race was a club race at HRKC where I competed in the Briggs Cadet division. I qualified in first and won both the Pre-Final and Final by a large gap. My team manager and coach recommended that I move up to the next class, Junior Lite. This was a year earlier than we had planned but will be a good challenge. Big thanks to Andrzej at AB Project Management who was able to refer and help us partner with additional sponsors to help pay for the new chassis.

I am still getting used to the larger kart but am enjoying the challenge and have finished 4th and 3rd in my first two Jr. Lite races.

In May we also had our first national race, MRFKC Round 1 in Mosport. This was a very tricky race as this is the home track for many of the other racers. We decided to go to Mosport early in the week to get as much practice as we could. This paid off and we finished the weekend in 3rd. The next round is in Innisfil, the first weekend of June.

I also had my first interview! Fierce Racing interviewed my Dad and I all about Kart Racing. Check it out on Youtube.

MY SPONSORS

Racing a full schedule can be very expensive and would not be possible without the support of my family and sponsors. Thank you so much for helping me chase my dreams!
