

2023 Jacko500 Racing

January 2023

2023 PLANS

2022 was an amazing year and 2023 is going to be even better. Our first races of the year will be in Florida, we can't make it for round 1 but will be competing in Round 2 and 3 of the Florida Winter Tour in February and March.

Our Canadian Racing schedule is going to be even busier than last year. I will be racing Mini ROK for the MRFKC National Series, moving up to Briggs Jr. for HRKC Club Racing and will also be taking on a new class, Rotax Mini Max, for the Canadian Max Challenge Series.

2023 GOALS

WIN THE CANADIAN KARTING CHAMPIONSHIP

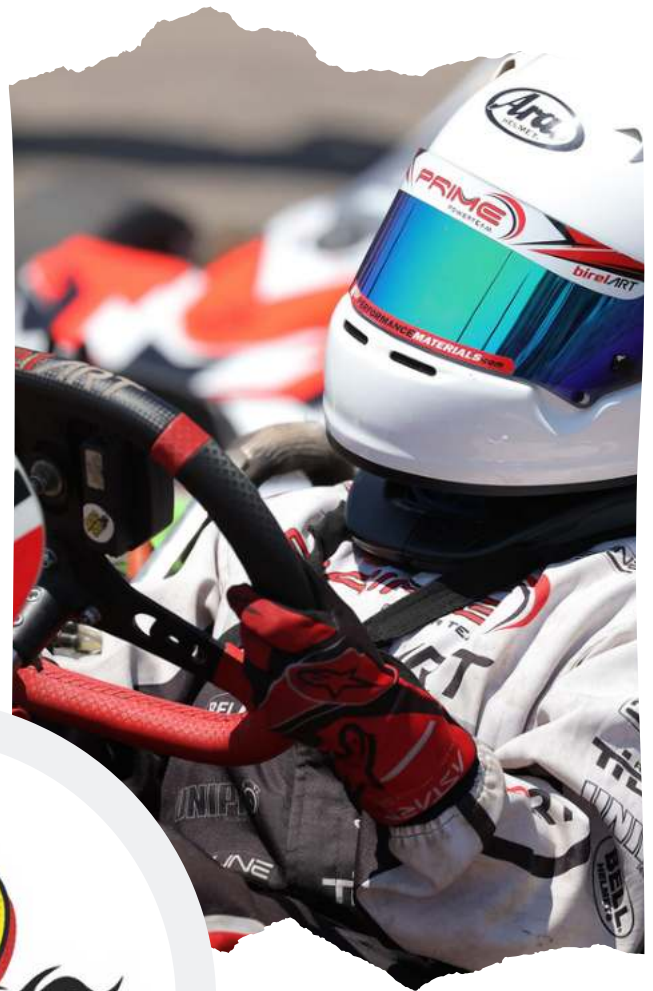

2022 I finished in 2nd, I will work hard to get to the top step and become a Canadian Championship.

WIN A MRFKC CHAMPIONSHIP

I have competed in the MRFKC National Championship twice finishing 2nd and 3rd, my goal is to win my first MRFKC championship in 2023.

EARN A SPOT ON TEAM CANADA

My goal is to win enough points in the Rotax Max Challenge Series to earn a spot on Team Canada and Race at the World Finals in Bahrain.

HOW TO HIT MY GOALS

OFF TRACK TRAINING

I will be participating in 5 races/week on my Simulator through iRacing, this will help with my racecraft. I will also be focusing more on fitness to build the strength and cardio endurance needed for racing.

PRACITCE, PRACTICE, PRACTICE

We purchased an all inclusive Practice Pass for Canadian Mini Indy and will be spending a lot of time at the track practicing.

COACHING

As a member of the Prime Team I have access to some of the best coaches in karting and will be working closely with them to work on my racecraft.

MY SPONSORS

Thank you so much to my amazing sponsors from 2022, your support went a long way in helping me achieve my goals. Many have already committed to sponsoring again in 2023, thank you so much! We will be announcing this year's sponsors soon, if interested in renewing or becoming a new sponsor for 2023 please reach out via e-mail at jacko500racing@gmail.com and we can come up with a tailored sponsorship plan that will best represent your business.
