

July 2023

JUNE RECAP

In June we were busy, first we had the MRFKC round 2. We spent 3 days practicing so that we knew we were ready. On Saturday we just came short and finished 2nd place. On Sunday we were doing great and started the final in first but during the race I made some driver mistakes and went for a risky move with 2 laps to go that had me spin out into the grass. I was able to get the Kart back running and had to settle for a 10th place finish. My very good friend/teammate, Ryker finished the race in 1st!. Overall it was a good weekend and we are now leading the championship by 22 points.

CLUB RACES - HRKC

Our home club, HRKC underwent huge renovations, a couple of races got postponed but it was all worth it as we have a brand new track! They did an amazing job and it is awesome to drive. We have had 3 races so far on the new track, I finished 2nd in both Briggs races and won the ROK Race. I am going to be putting in a lot of practice laps to discover all the best passing zones.

FARMERS MARKET

On June 24th we had the opportunity to participate in the Georgetown Farmers Market. This was a great opportunity for us to represent our sponsors and help promote the sport.

The Kart was a huge hit and we had so many people stop by to chat. We were even lucky enough to be asked to come back, we are scheduled for Sept 30th.

UP NEXT!

July is going to be our busiest month yet and everything is happening at our home track in Hamilton. I am most looking forward to Dash For Cash on July 16th and round 3 of the MRFKC on July 22 - 23.

SPONSORS

Huge thanks to my sponsors, Karting at this level would not be possible without your support. Thank you for letting me chase my dreams! Please support those that support me.
