August 2024

## A SUPER BUSY JULY

July was our busiest month yet, packed with 3 National races including the Dash for Cash, the first round of the RMC Ontario, and the final round of the Ron Fellows Karting Championship. Each race brought new challenges as we competed in 3 different categories,

We raced in the Jr. class of Briggs, Rotax, and ROK. The main difference in each category is the engine, but each also uses a different tire. While this might not sound like much, it makes a significant difference. Each tire provides a different level of grip and requires significant adjustments in how I drive. This is something I am still learning and striving to get better at.

Here's a quick rundown of how the races went

## RMC ONTARIO ROUND 1

The first round of the RMC Ontario went incredibly well, especially considering it was my debut in Rotax Junior. We had great pace throughout the race weekend but did make some mistakes throughout qualifying and the pre-final. Despite not being in the best position for the final, a sudden rainstorm shook everything up. We only had 15 minutes to change the Kart to wet setup, my team did a great job and got me back to the grid with only seconds to spare.

In the Final I was able to make up several spots and finished the race in 3rd. Unfortunately there was a collision in front of me in the early part of the race that I couldn't avoid. It caused my front bumper to push in which was a 5 second penalty costing me one spot. Even with that it was a great weekend and I currently am in 3rd in the championship.

### DASH FOR CASH

The Dash for Cash was an exhilarating race. We competed in both ROK and Briggs categories. In the ROK race, I had a tough battle with Ari, staying just half a second behind him throughout the race but couldn't quite make the pass, finishing second. The Briggs race was intense, with the lead changing several times. On the final lap, I took the lead and held on to win the race and the \$1,000 prize

### FINAL ROUND OF RFKC

The final round of the RFKC was another exciting weekend. Although we didn't finish where we had hoped, it was a valuable learning experience. We finished 4th on Saturday and 5th on Sunday, securing fourth place in the overall championship. This season has taught me a lot, and I'm ready to take on next year with even more determination.

Up next is the biggest race of the year, the Canadian National Karting Championship!

# MY SPONSORS

I am incredibly grateful for the amazing support I receive from my sponsors. Many have been with me from Day 1 and racing simply would not be possible without their support.
