BIG RACES & BIG NEWS

June was a lot of fun with some big races with Inter-Club Round 2 in Mosport and Ron Fellows Round 2 in Mont-Tremblant but the big news is RMC Ontario,

RMC Ontario is a new race series bringing Rotax Racing back to Ontario. It is a 5 race series with the winners being awarded a spot on Team Canada to race at the Grand Finals in Italy.

Thanks to support from my sponsors and my team, I was able to enter this series, the first race is July 14th! I get my Rotax Kart next week and will be practicing hard to earn my Ticket to the grand finals.
