Racing

March 2024

## 2024 RACE PLANS

After a long off season, we are finally ready to get back to racing. We are going to have another busy year as we compete in multiple championships. We are already committed to 29 races this year and will surely add more along the way!

The races I am most looking forward to are the Dash For Cash, Canadian Nationals and Florida Winter Tour.

Our first race of the year is coming up fast, from March 15-17 we will be racing in Orlando as part of the Florida Winter Tour. These races will be live streamed on Youtube, keep an eye on my Instagram stories for the schedule and link.

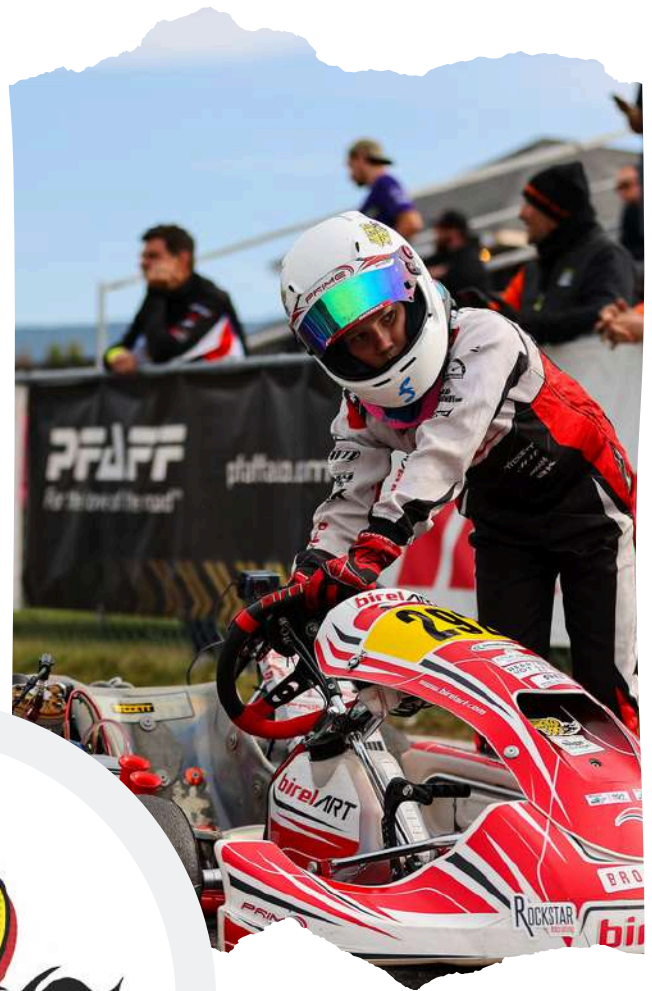

## 2024 RACES

### ROK JR

This will be my first full year racing in the ROK Jr. Category. I know it will be difficult but I am excited for the challenge. I will be racing in ROK Jr as often as I can including several special events, the Ron Fellows Championship, Hamilton Club Championship as well as Canadian Nationals.

In most of these races, I will be the youngest competitor in the category and will be focusing on learning and developing as a driver. While I hope we can achieve podiums and race wins we won't be as focused on the end result this year, instead concentrating on continuous development.

We will be spending a lot of time working on ROK Jr. this year, with many practice and coaching days.

500**

### BRIGGS JR.

In the Briggs Jr. class, I will be racing with the Hamilton Karting Club, competing weekly. We will also be competing in the brand new BOSS (Briggs Ontario Super Series) where we will get to race against the provinces best Briggs Racers at 3 awesome tracks - Goodwood, Mosport and Hamilton.

Our primary focus this year will be on our ROK program, we will not be practicing near as much in Briggs but love competing in the Briggs races as it is an awesome way to work on Race Craft and is a great opportunity to get some wheel to wheel racing action!

# MY SPONSORS

I am incredibly grateful for the amazing support I receive from my sponsors. Many have been with me from Day 1 and racing simply would not be possible without their support.
